

CHAMPIONSHIPS' RULES

The Canadian Indoor Skydiving Championship is all about skill, precision, and adrenaline. Before you take off, make sure to check out the official rules to keep the competition fair and the excitement high!

4 WAY FS INTERMEDIATE

FAI RULEBOOK 🖱️

AMENDMENTS FOR THE INTERMEDIATE CATEGORY:

- Teams begin each round in a 4-way Star formation prior to beginning the planned sequence for that round. The working time will start at the first sign of a break from the star formation. If the draw calls for the first point of a round to be a Star, the Star formation will be moved from the beginning to the end of the sequence.
- The draw will be performed from a dive pool consisting of only blocks 1, 2, 4, 6, 7, 8, 9, 11, 13, 14, 15, 18, 19, 20, 21, and 22, and all the randoms.
- Each dive will consist of 4 to 5 points
